Did you know?

Kenosha Central High School was the first free high school west of the Alleghenies. The first graduating class founded the Alumni Association immediately upon graduation in 1891, making us the oldest active high school alumni association in the United States.

In 2006, we celebrate the 115th anniversary of the Bradford Alumni Association.

An invitation to join!

Please consider becoming a member of your Bradford Alumni Association.

Currently, membership is approximately 2,500!

Some benefits of joining:

1. You'll get a Newsletter 2 times per year to keep you updated on happenings of other alumni and be able to establish contact with them. You will also be informed of current Bradford High School events.
2. We will provide you assistance with your class reunion groups. (Your dues also help pay for one half of the first mailing for all reunions in 5 year time frames)
3. You may relocate. If you are on the Bradford Alumni mailing list, the post office will help inform us of your change of address for your next reunion committee.
4. The Alumni Association annually awards several scholarships to Bradford seniors who are planning to pursue higher education. You are welcome to contribute to this fund.
